

*"We've spent our whole academic career waiting for this moment to come to fruition  
 Now that we've mastered elementary, it's on to middle school--a brand new mission!  
 We know that we could not have survived this journey alone, this is true...  
 Please come celebrate our promotion to the next level as a village--this includes YOU!")"*  
 ~WHES 5th Grade C/O 2022

Please join us as we celebrate and honor your scholar
